ANNUAL
VOLUME
YEAR

Preface.

THE present Volume contains a record of the Baptisms, Marriages, and Burials in the Parish of St. Martin in the Fields from 1550 to 1619, and is a transcription of the first volume of the Registers of the Parish, preserved in the Church of St. Martin in the Fields. The original Register contains 159 parchment leaves, and for the most part is beautifully written. From 1550 to 1598 it is, as stated in the title on the fourth page, a copy of an earlier Register, probably of a paper book which had become worn out. This title is as follows:—

“ A Register booke for the p'ishe Church of St. Martin's in the ffeildes in the Countye of Midds. made in the Dayes of M^r Thomas Knight, Viciar of the same p'ishe Church: And in the tyme of M^r John Childe & M^r Thomas Bengé then Churchwardens, in the Yeare of o^r Lorde God 1598 And in the XLth Yeare of the raygne of o^r Sou'eign' Ladye Elizabeth, of Englande ffrance & Irelande Queene, Defendo^r of y^e faithe, &c. Written by Jacob Cornewe, Sexton of the same p'ishe Church at y^t tyme.”

The Parish was then much larger than it is now, including the present Parishes of St. George Hanover Square, St. James Westminster, St. Anne Soho, and St. Paul Covent Garden.

Many notable names appear in the present book, including those of Francis Bacon (baptized 25 January 1561), his father Sir Nicholas Bacon (buried 9 March 1579), and several members of the Cecil family.

The Registers are almost complete from 1550 onwards, and I venture to hope that the work begun in this volume may be continued. A second

volume, extending from 1619 to 1660, would be of great interest and value, containing as it does the names of some of the most celebrated persons of that period.

I have much pleasure in acknowledging, on behalf of the Harleian Society, the interest taken in the printing of this Register by the Rev. Prebendary KITTO, M.A., the Vicar of the Parish, who with Mr. ROGER DE COVERLY secured the co-operation of the Vestry of St. Martin's in the production of this volume.

THOMAS MASON.
